

**Peninsula Puffers Asthma Camp  
Code of Conduct- Signatures Required**

At camp and especially away from home, children can sometimes test the limit of appropriate behavior. The rules and expected behavior at camp are really no different than those at school.

The following are some conditions and policies:

1. The camper, parents, guardians and relatives agree to abide by the rules and regulations set by the camp for the health, safety and welfare of the campers and staff.
2. Campers are expected to use appropriate language; any foul language will result in camper going home.
3. Campers are encouraged to develop friendships with members of the opposite sex, but no display of affection is permitted.
4. Campers are to respect the rights and belongings of others.
5. All rules and policies are strictly enforced. The safety and security of our campers is of paramount importance of our staff. Therefore, any criminal act(s) or failure to abide by camp rules will result in dismissal from camp. In addition, parents, guardians, or relatives are responsible for picking up their camper in Yucaipa should it become necessary to send a camper home.
